

# John Kyle Flores - Software QA Tester Portfolio

## About Me

I'm John Kyle Flores, a seasoned Software QA Tester with over 5 years of experience. I've tested a variety of mobile games, PC games, console titles, and web applications across different platforms. I specialize in manual testing and take pride in leading QA teams that ensure top-quality deliverables. I'm passionate about finding bugs before users do and communicating clearly with clients.

## Skills & Tools

- Manual Testing, Regression Testing, User Acceptance Testing (UAT), Performance Testing, Functional Testing
- Team Leadership and Task Delegation
- Tools: JIRA, TestRail, Browserstack, Airtable, Google Suite, Firebase, TestFlight, Mantis BT
